RENO'S PREMIER RIVERFRONT RESTAURANT,
FOR YOUR UPCOMING EVENT.

Located right off the Truckee River in downtown Reno's "Riverwalk" district, Wild River Grille is sure to offer you a spectacular dining experience you will never forget. Established in the historic 'Riverside Hotel', this restaurant has a delightfully elegant and open metropolitan setting. With a newly remodeled kitchen as well as a handcrafted Tahoe Pine bar, Wild River Grille's interior restaurant offers service for up to 50 guests while its river front patio seats an additional 140.

The largest of Wild River Grille's private rooms, deemed the 'River Room', seats up to 80 people and is perfect for company parties, family gatherings, or intimate wedding receptions. Need to have an even larger soiree? The 'River Room' can host an extravagant cocktail party of up to 120 guests, complete with its own private entrance. If you are looking for a smaller function, the 'City Room' seats up to 24 people and is the perfect venue for a private dinner or confidential business meeting. In addition to these marvelous rooms, our friends next door in the 'Sierra Arts Gallery' have a very spacious private room that can seat up to 48 guests and is perfect for any buffet style party. No matter which space you choose, the Wild River Grille is the ideal location to host your next conference, wedding reception, baby shower, business dinner, holiday party, or private event.

"IT. WAS. WONDERFUL!" ★★★★★

Your building is beautiful and the River Room worked out perfectly. The food was amazing, I heard so many of our guests who loved it (hopefully new patrons of yours!). It was a cold day, the the outdoor set was perfect. It looked elegant. Table for the gifts, cupcakes, and other baskets, were wonderfully placed. We felt very accommodated. There is nothing I would have done differently. Thank you for making my day beautifully complete!

~ASHLEY AND DAVID HEGLE

"NOT A SINGLE DETAIL WAS MISSED..." ★★★★★

...You and your staff went FAR beyond what we could have possibly hoped for. The food was fabulous, the staff, the best on the planet and your help with all the unforeseen events like trips to the hospital, and offering walks to single ladies to their cars was far and beyond what was expected. Not a single detail was missed, and the professionalism of all involved was top notch. We just can't thank you enough

...Sincerely, ~K.G. AND NICHOLE WARNER

"PARTY WAS EXQUISITE" ★★★★★

Our Single malt tasters of Reno tasting - party was exquisite. Everything Wild River Grille did was to our liking. There was not one criticism of the establishment. We started in 2000, and went to 14 different places before we found Wild River Grille. We WILL be back next year. We love Wild River Grille 5 out of 5 ~ PAUL LENZ

"RENO'S FINEST" ★★★★★

This is by far one of Reno's finest and most accessible eating establishments. The food is excellent, and the location, right on the Truckee river in view of downtown, is great! This restaurant is one of the best places I've been to in Reno and well worth checking out.

~ S S, BOULDER, CO

"WILD RIVER BY THE RIVER" ★★★★★

The food was excellent, salmon appetizer fantastic, service great, music entertainment very nice. Sitting on the patio, on a nice day watching the people walking by the ambiance of the place and the setting marvelous. Should not really write this as the place will probably get to busy and be more difficult to get in. Also a great place to go before the Broadway shows programs.
